Check for local and international calling numbers: <http://instantteleseminar.com/Local/>

**Description:** [Dr. Stephen](#) and [Beth Daniel](#) share the newest developments and more. Our next Question and Answer Teleclinic will be in March. Please continue to submit a question at [ASK Quantum Techniques.](#)

The purpose of the teleclinic to explain what new scans the QT practitioners can do, and our plans for future products to teach these new and very advanced scans.

### Discussion Topics:

1. Redefine symptom as an energy disturbance. Get generational aspect, first time you encountered in client's life, and what is active in the field today. (First and last domino)
2. Signal and switch developed from the work of Dr. Bruce Lipton.
3. New brain engines, C7 and lymphatic drainage points.
4. Reconnection with Pr, parasympathetic, and all three levels with all 15 brain engines
5. C7 for connective tissue/issues physical and non physical
6. Unknown pathogen scan
7. Is there a specific switch on the spine for this issue? Li/kid C1, etc. Is there a vertebrae and an intention?
8. "There is a viral frequency blocking key information necessary for instant healing"
9. L/K lock/blocked/etc treatment
10. Inflammation L/K with tissue, the mother of all curtains?
11. Histamine L/K with tissue
12. Functional healthy sedative factors.
