

Self Testing Guide for Amazon Herbs

www.AmazonHerbShop.com 1-800-239-5859

Liquizons— A concentrated Spagyric liquid in a vegetable capsule. No alcohol. Can be swallowed or chewed. 3 times stronger than tradition powdered capsule.

Liquids— 8 ounce bottles are bulk herbal tincture Spagyric extracts made with distilled water and 20% pure grain alcohol. Can be taken straight or added to tea, water, or juice.

Spagyric Process—The “mark” or plant matter of the extracts are rich in trace minerals and other energetic compounds beneficial to health. This plant fiber is reduced to an alkaline ash in a high temperature kiln and added back to the liquizons and liquids. This plant alchemy practice shares more bio-energetic messages to your body, mind, and spirit.*
