

Our Family Prayer

by Jody King-Colegrove

I welcome all love, acceptance, safety & joy from myself, God, & everyone I meet. Each day our family can great the wonders of the day in complete truth, love, health, safety, & in rest. We welcome in all of Gods blessing, heath, abundance, & love each day.

By the Authority given to me by Jesus Christ, I ask that our bodies be made to self heal. I choose to have a belief system that removes any blocks to healing. I release all of my body's healing potential. My cells no longer need to live in self protection, but are protected by God. Jody places Herself, Avery, Don, & Copper in Gods hands to take care of, protect, & to heal. I choose to release all fear & trauma from my lifetime or anyone else's from every cell of my body. I am fully women. I choose to fill these spaces with the complete healing love of God. I choose to view the world as a wonderful place of joy, beauty, & love.

I am the light, love, truth, & strength of the Creator. I so radiate the Creator's truth that all darkness, parasites, viruses, bacteria, molds, fungus, disease, generational issues, & toxins of ingestents, inhalants, contactants, & injectats pass harmlessly by me.

I choose to transform any negative energy or intentions I encounter, from any source, Don, Avery, work, TV, or within me, to the frequency of the Creator's highest truth & perfect divine love. I turn it into forgiveness. I then return it to its source, radiating it into the world. Father I ask for your Blessing of Protection

I surrender my emotions & Parts to Jesus Christ for him to heal. It is ok for me to feel all my emotions, but they do not need to wake me up or keep me up at night. I may feel angry, sad, afraid, & guilty, but I also feel an abundance of Gratitude, Happiness, Security, & Price. I surrender my parts to Christ to heal. Thank you for all that I am learning & will learn.

Fill our family with God love & light. Let us see, hear, touch, & smell that we are safely being guarded by God & his two angels, one of protection & one of healing. All of us now have the ability to be happy, have fun, & be filled with complete & utter joy & have a personal relationship with Christ.

I am being the best person I can be, My Self, a Wife, a Mother, a Daughter, a Worker, a Friend. Help me to always be true to myself. Father heal my deficiencies & help me forgive myself when I fall short. I do not have to be perfect to be wonderful. I am enough.
